

DIGITAL BANKING UPGRADE CONSUMER

Enhancements and features to look forward to:

Consistent experience across devices

Menu look and feel stays the same regardless of how you access Digital Banking.

P2P Transfers

Send or request money from a friend through email or text message.

PIN/Biometric Authentication

The app supports both fingerprint and facial authentication on mobile devices.

C2C Pay-A-Customer

Quickly transfer money between your account and a friend's Webster Five account.

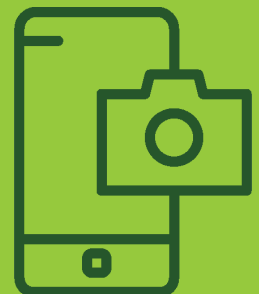

Manage My Debit Card

Turn on or off your debit card at any time and set debit card transaction limits and controls.

Enhanced transaction capabilities

Attach an image to a transaction for easier financial recordkeeping.

A2A External Transfers

Transfer to and from an external (non-Webster Five) account within 1-2 business days.

Manage My Money

A personal financial manager tracks your budgeting and spending on all of your accounts and helps you set savings goals for the future.

Along with many more features to enhance your digital banking experience!
